

Sunday

Sunday, November 6, 2022 12:10

Outcome

- 1) Categories
- 2) object put into ()
- 3) unsupervised learning

Movies

FMR to act

bigram & trigrams.

tf-idf

LDA

Differences:

Movies: normal English

FMR = Stylized Language

Our goal:

Sentimentre: Focus on sentences level,

Graphical output of: tf-idf, LDA
